Report of Centre Harbor American Revolution Bicentennial Committee

For The Year Ending December 31, 1976

Congratulations to the Parks and Playgrounds Commission for the "Spirit of '76" fourth of July parade and the many entries, resulting in the longest parade held in the town. A new "Welcome" sign at the intersection of Routes 25 and 25B, maintenance of a patriotic flower garden and planting a Bicentennial Tree were projects of Garnet Hill Grange. The Centre Harbor Historical Society opened an Historical Museum at the Village School, after making extensive repairs and improvements, including the installation of Fire and Burglar alarm systems. The Centre Harbor Woman's Club (1901-1976) maintained a red, white and blue flower garden near the Centre Harbor - Moultonboro Town line and are congratulated for seventy five years of dedication to the Object of the club, with projects of Community Improvement. To the Centre Harbor Fire Department (1916-1976) for sixty years dedicated to the purpose of the organization - "To Provide Protection To Life and Property," also for their contribution to the young people in maintaining the skating rink, providing good movies for their entertainment and for the splendid program, "Farewell To '76" presented on New Year's Eve. Appreciation is extended to all who contributed in any way in celebrating the Nation's 200th Anniversary.

Also most worthy of note is the continuing project of Cemetery Improvements. We received a copy of the folder, "New Hampshire Celebrates Bicentennial," included in the pictures is Uncle Sam standing tall on the fourth of July, as Eugene Manville walked the entire length of the parade route on stilts.

The Lakes Region Community Health Agency, Inc.

On December 1, 1976 the Lakes Region Community Health Agency, Inc. entered into its second year of service to residents of the Town of Center Harbor. Our first year has seen a broadening of the Agency's financial stability, a steady increase in demand for our services, and further development of staff and programs in response to this demand.

The current scope of services to Center Harbor includes professional skilled nursing care and other community health projects, such as free blood pressure screening clinics. Working as a team under the direction of the patient's physician, we are able to provide the most appropriate and economical level of care in response to our patient's needs. The availability of our services has enabled many members of the local community to retain their independence and remain in their own homes during a period of illness or infirmity when it would not be otherwise possible.

Town appropriations are applied to defray those costs of services which are not reimbursable through available third party sources as Medicare, Medicaid, and Title XX. We feel that the local funds that are allocated to the Lakes Region Community Health Agency are a sound investment for the residents of Center Harbor as they enable us to deliver a return of necessary quality services. We are your community health agency, serving you.

Inter-Lakes Day Care Center Report To The Towns

During the calendar year 1976 the Inter-Lakes Day Care Center served one hundred thirty one children from Lakes Region families. The Center operates a pre-school program for comprehensive child behavior and development with a full range of services including education, health care, periodic vision and hearing screening, immunizations, dental care, nutrition and information and referral. We also participate in the New Hampshire Special Food Service Program offering a daily hot lunch, breakfast, and nutritious snacks. The Center is in operation on a year-round basis from 6:30 a.m. to 5:30 p.m., making it possible for the parents of sixty children to maintain employment.

The primary concern of the Inter-Lakes Day Care Center is to provide a home-like, educational environment for children of working parents. We also offer a nursery school program and an after-school program for elementary school children.

The total budget of the Inter-Lakes Day Care Center is \$64,091.50. Of this we will be receiving \$18,720.00 in tuition paid by parents, \$13,975.00 from Aid to Families with Dependent Children, and \$25,709.00 in federal funds, and \$5,687.50 which must be obtained in local funding in order to receive the federal amounts. The money we receive from the towns that we serve is matched three times.

Area residents are always invited to visit the Inter-Lakes Day Care Center at 11 Lang Street in Meredith.

Report of the Planning Board

Town of Centre Harbor

The Planning Board scheduled 24 regular meetings and 2 public hearings in 1976.

During the year 17 subdivision proposals were submitted to the board. After review by the board and public hearings 12 were approved and 1 disapproved. Four subdivision proposals were carried over to 1977. One of the approved subdivisions was a major one for more than five lots.

Following the public hearings some Amendments were adopted to clarify the Zoning Ordinance in regard to Home Occupations, Building Permits, Signs and Use of Shorefront Lots.

In November the Planning Board accepted with deep regret the resignation of Rob Roy Macgregor, who had served on the board since 1967. He will be sorely missed and the board is proposing that the town join the board in expressing appreciation for the many services that Rob Roy Macgregor has rendered to Centre Harbor by adopting the following resolution at Town Meeting.

WHEREAS, Rob Roy Macgregor served on the Centre Harbor Planning Board from 1967 through 1976, as Chairman from 1967 to 1972, and thereafter as Secretary until his retirement in December 1976, and

WHEREAS, he was a pioneer in the development of the regulations for administering the activities of the Planning Board and was the representative of Centre Harbor to the Lakes Region Planning Commission, and

WHEREAS, he was instrumental in the creation of the Centre Harbor Conservation Commission,

THEREFORE, BE IT RESOLVED, THAT WE, in Town Meeting this eighth day of March 1977 wish to record an expression of very sincere appreciation to Mr. Macgregor for his voluntary service to the town and for his initiative and able leadership in the development and administration of our successful Planning Board program and be it further resolved that a copy of this resolution be sent to Mr. Macgregor as a token of the high esteem we hold for him in his unselfish expenditure of time and energy to help make Centre Harbor such a fine place in which to live.

The board will also miss the services of Mrs. Mary Knowles Macgregor who has served the board as recording secretary.

Meetings of the Planning Board are scheduled for the 1st and 3rd Tuesdays of each month and visitors are always welcome. For the convenience of people wishing to bring matters before the board, specific times for appearing may be scheduled by calling the Town Clerk, Mrs. Geddes.

Respectfully Submitted,

Carl R. Marshall

Annual Report

The Meredith CAP Outreach Office has continued to provide comprehensive services to the Centre Harbor community during 1976. Besides improving the quality of present programs, we have added new ones which we believe are especially well suited to the needs of our low income and elderly families. The following are programs which are available to financially eligible Centre Harbor residents and to senior citizens.

Information and Referral

A service which is available to all, "I & R" provides information on social services, employment, child care, consumer education, health, nutrition, and housing. When appropriate, referrals are made to other agencies who can provide direct help in meeting specific needs.

Housing

CAP can provide assistance to eligible Centre Harbor residents in various housing-related areas, including the Weatherization Program, (distribution of plastic, weatherstripping, and insulation), the Heat for Elderly and Low income Persons (HELP) Fuel Loan Program, and fuel - utility assistance. Energy conservation information is also available.

Food Coop

Tally, bag, cashier, label meat, cut cheese, mop floors or remove trash, Centre Harbor volunteers help make our coop one of the most successful in two counties. Membership has doubled and the variety of foods has been greatly expanded. Consumer education in our coop stresses comparison shopping and when local merchants offer lower prices, coop members are urged to take advantage of such specials.

Family Planning Program

New evening clinics, outreach work, and improved community education efforts have increased the number of Centre Harbor women enrolled in the Family Planning Program. In addition to medical care, patients may request VD tests, pregnancy tests, counseling, and educational services, all free of charge.

Rural Transportation

The Belknap County Rural Transportation Service is designed to help senior citizens and low income persons in need of transportation to

medical and dental appointments, shopping, senior citizen activities, and various other errands. One day each week, the RTS bus provides round-trip service from Centre Harbor to Laconia with stops wherever riders request.

Operation Green Thumb

Vegetable seed, tomato plants, seed potatoes and fertilizer were distributed during May and early June of this year. Most participants grew enough food for summer consumption, and even for freezing and canning.

Elderly Nutrition Program

Besides Meals on Wheels and Congregate Meals, the Elderly Nutrition Program also provides Centre Harbor's Senior Citizens with Information and Referral, Counseling, Escort Service, Shopping Assistance, Nutrition Education, and Recreation. Our own passenger van is available for field trips and for transportation of Congregate Meals clients from their homes to the meal site. Residents of Twin Gates Manor Group Home have become regular participants in our Congregate Meals program, and because of the Salvation Army's generosity, our office was able to provide them with many useful articles of clothing at Christmas.

Senior Companion Program

Through a grant from ACTION, Belknap-Merrimack CAP will be sponsoring a new senior volunteer program which will provide the volunteer with a weekly stipend and will be serving adults with special needs.

Telephone Reassurance Service

In early 1977, volunteers at the Meredith CAP office will begin a Telephone Reassurance Service. Anyone who wishes to participate may call 279-4096 during regular business hours.

Report of the Forest Fire Warden and District Chief

Center Harbor

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.
